Dated Itanagar, the 3rd Sep'2026

CORRIGENDUM – I

Reference: This office Tender No. PHQ/WT/PP-03/2025 Dated 07th Aug' 2026, the following corrections/modifications are made in the above referred Tender Notice as per the Pre-Bid meeting held on 24th Aug'2026 at 1130 Hrs at PHQ Itanagar, Arunachal Pradesh :

Sl.	Points requested by the Firm	Clarification from department
1	“ Local for Vocal” : We would like to inform you that the items under this tender are controlled under provision of Indian Wireless Telegraphy Act 1933. The procurement ,possession & sale can only be undertaken by entities holding a valid Dealer Possession License and to the best their knowledge no vendor based in State of Arunachal hold a valid Dealer Possession Licence (DPL) issued by Department of Telecommunication, Govt. of India & further DPL is not transferable hence requested participations by bidders across India.	The matter shall be examined by the Committee during the opening of the Technical Bids, and the requisite documents submitted by the bidders shall be duly scrutinized and verified for compliance with the prescribed tender requirements.
2	The offered Radio should have undergone an Interoperability Test with minimum of 02 other manufacturers by the Technical Working group of Digital Mobile Radio (DMR) Association. These documents shall be part of Bid. Bids without these documents will be summarily rejected.	A specific time period has been provided in the tender for field/practical demonstration of the equipment. The performance and compliance of the equipment offered by the bidders shall be assessed during such demonstration against the prescribed technical specifications and functional requirements.
3	3. The offered Radio model shall have a valid FCC Equivalent Authorization /FCC ID. The bidder shall submit the FCC ID and equivalent certifications details, which shall be verifiable through the official FCC database.	All documents required for establishing the eligibility and qualification of the bidder for the instant tender have already been clearly specified in the Tender Notice/Bid Document.

4	4. The offered portable/mobile radio shall support Bluetooth functionality. The bidder shall submit the applicable Bluetooth Special Interest Group (SIG) qualification/listing details for the offered product or Bluetooth implementation, which shall be verifiable through official Bluetooth SIG database.	The requirements and its specifications have clearly specified in the Tender Notice/Bid Document
5	Submitted that the Ministry of Communications has notified the requirement of a valid Radio Equipment Possession Authorisation (REPA) for the lawful possession of wireless equipment. In view of the above, it is requested that it may kindly be clarified whether a firm holding a valid REPA is eligible to participate in the present tender and, if so, whether such REPA may be accepted as an admissible eligibility document for the supply of the wireless equipment covered under the tender.	The bidder shall possess either a valid Dealer Possession Licence (DPL) or a valid Radio Equipment Possession Authorisation (REPA), as applicable under the prevailing rules of the Department of Telecommunications (DoT), Government of India, authorising the bidder to lawfully possess, stock and/or sell the wireless/radio communication equipment covered under this tender.

Upon examination of the observations, the Committee noted that, as per the Ministry of Communications notification dated 08.07.2026, firms holding a valid Radio Equipment Possession Authorization (REPA) are permitted to possess and supply wireless equipment.

Accordingly, the Committee recommends that REPA be incorporated as an additional eligibility/qualification document in the tender, and that bidders intending to participate in the tender for supply of wireless equipment be required to submit a valid REPA along with their bid documents for establishing their eligibility.
